

CUSTOM ESCORTED VACATIONS

If you do not see your desired destination on our schedule, simply call and let us know where and when your group would like to vacation. Also, please note that any of our vacation departures can be re-scheduled on different dates.

After we have chatted and determined the likes and dislikes of your group, we will prepare a customized proposal for your consideration.

In order to qualify for a customized vacation, we ask that you commit to a minimum of 30 travelers. While we can and have operated trips with fewer, we find that spreading the basic costs of transportation, lodging, sightseeing, tour guides, and meals, enables the group to travel more economically.

Recently we have found that many group leaders have become discouraged over past trip cancellations due to low passenger response and as a result are now reluctant to become actively involved in promoting future group vacations. If this is case with your group, but you're willing to travel with another compatible group, we will do our best to match and mate so as to assure the success of the vacation departure.

New Millennium pledges an outstanding escorted vacation experience. We excel at finding unusual, out-of-the -way sights--exciting, educational, entertaining places you would never discover on your own. Our professional Tour Director's and local guide's expertise will add immeasurably to your enjoyment of what you will be both seeing and doing.

Dining is always exceptional with New Millennium. Dinner is guaranteed to be an event to eagerly look forward to each evening, as you will be treated to some of our nation's most delicious regional cuisine in atmospheric award-winning restaurants.

The most important consideration, however, in our overall planning effort, is your total satisfaction. The best planned vacation is totally worthless if you haven't enjoyed it. This is your vacation--we wish to design it so that YOU will enjoy it , recommend us to others, and hopefully return for future vacations as a highly valued customer of New Millennium Vacations. After all, our past travelers are our finest source of advertising.

Allow New Millennium to demonstrate what you have been missing. New Millennium will show you the difference-----why we provide escorted vacations while others provide escorted tours.

Thank you for choosing New Millennium Vacations!
