

NEW MILLENNIUM VACATIONS

Introducing an exciting new concept in escorted travel!

Less structured itineraries to exciting destinations: less time spent traveling and more time devoted to soft adventure, hands-on experiences, participatory in-depth sightseeing, upscale dining and lodging, and more leisure time for independent exploration, recreation, relaxation, & shopping.

Individual attention. We detest regimentation. Rest assured that when you travel with New Millennium Vacations, unless you are part of a group charter and your group leader has demanded such, you will never be requested to wear name tags nor will you be subjected to "silly games on the coach". You will, however, be furnished with an informative and entertaining daily Travelogue for your reading pleasure outlining the day's itinerary, hopefully eliciting a few chuckles, and also providing interesting information to enhance your appreciation of what you will be seeing and doing. You will learn while you enjoy.

Hub N Spoke sightseeing: you will, wherever possible, stay at strategically located lodging resort locations for more than one night stands. This lessens the necessity for dreaded early morning departures and daily packing and unpacking. You need not fear long days on a motorcoach. Your motorcoach will transport you from airport to resort locale and be available for regional sightseeing excursions.. Tour basing enables you, if you prefer, to skip a day's sightseeing excursion, and simply relax or pursue a personal interest be it sports activity-swimming, tennis, golf, hiking, shopping, or just plain relaxing.

The selection of lodging is always carefully made with consideration for your enjoyment, comfort and safety. Our group purchasing power passes on the savings on lodging to you. Hotel taxes average over 11%, meals 8%, and meal gratuities 15-20%--these expenses are all included in your vacation package. Luggage handling is included throughout the vacation. We emphasize the use of local expert guides to enhance your sightseeing pleasure. While your friendly and knowledgeable Tour Director will accompany you throughout the vacation, there's no substitute for local expertise, in some cases local costume characters who will add special meaning to and re-enact local history. You will selectively touch, taste, and smell more of America in a week than you might otherwise experience in a lifetime on your own.

Outstanding dining: We believe that memorable dining is one of travel's finer pleasures. We will constantly search to expose you to the best of local cuisine in unique off-the-beaten-path-cafes, atmospheric surroundings---places you would never find on your own.

We do not patronize chain or buffet-style restaurants that you can otherwise enjoy at home. We prefer leisurely dinners at individual tables as opposed to huge tables in private rooms. Whenever practical, you will dine when and with whom you choose. While touring, your Tour Director will pass out complimentary bottled waters or soft drinks and snacks.

Time is on your side when traveling with New Millennium Vacations. You won't have to open your wallet at every stop or tourist attraction—it's all been paid for in advance. There's no frustrations of battling traffic in an unfamiliar locale, no time wasted getting directions, or getting lost, and no discovering that the hotel you booked a month in advance has been oversold and you have no room!

We hope that you will join New Millennium Vacations in exploring and experiencing America. Small town America has re-discovered it's cultural heritage. There are many worthwhile sights and events that did not exist a decade ago. Our nation's natural beauty and fascinating history offer endless vacation opportunities. We say to those of you who are thinking, "been there, done it". Allow New Millennium to show you what you missed. New Millennium provides Vacations, not tours. Allow us to show you the difference, and we're confident you will become a repeat vacationer for life.

QUESTIONS?

WHO IS NEW MILLENNIUM VACATIONS ?

Founded in 1999, New Millennium Vacations is the culmination of the dreams of its' founder, Lawrence "Larry" Weygand, to own and operate his own small escorted vacation company. Larry, after serving for 11 years as Tour Operations Manager of

Tour USA, Creative Escapes-Colorado Charter Tours, and Travel Organizers, has yearned to redefine escorted vacations by offering a completely new concept in travel---by offering the traditional cost savings and security of escorted group travel, but also by eliminating the group herding-regimentation mentality of traditional escorted tours here-to-for so prevalent in the industry. Larry has always been dismayed to note that few married couples travel together on escorted tours, that often times a married spouse has remained at home indicating that the concept of "touring" simply didn't appeal to them. He also has noted the relative absence of mature adults age 45-60. According to Weygand, "mature travelers are tired of eight hours on the motorcoach everyday and shallow sightseeing drive-bys. They want to touch, to interact with what they are seeing or doing." New Millennium's extensive use of expert local guides, naturalists, geologists, and historians adds a totally new dimension to the travel experience. New Millennium travelers also enjoy personal discretionary time as these are vacations, not sightseeing marathons.

A WORD ABOUT INCLUSIONS AND EXCLUSIONS:

Compare very carefully:

Some tour operators artificially reduce the tour cost by NOT including meals. This leaves you the option of dining, AT YOUR EXPENSE INCLUDING TIPPING ,at your place of lodging or the "restaurant across the street". If a good meal is unimportant on vacation, than perhaps this is the preferable way for you to travel. Ask that the identity of your Lodging and Dining be specified upfront not later. The cost of staying at the Greenbrier or Cloister obviously is more expensive than Motel 6. You are spending your hard earned dollar for this eagerly anticipated vacation; You are certainly entitled to know what your money is purchasing. Don't believe for a second that the automatic Driver and Tour Director Gratuities-Inclusion, Door to Door Delivery, and Trip Cancellation Protection features offered by some tour operators is free. You simply paid earlier rather than later, eliminating your discretionary ability.

DO YOU OFFER DISCOUNTS FOR EARLY BOOKINGS?

You bet! We reward travelers who make early bookings and charge our normal rate to others who procrastinate. We NEVER offer last minute discounted stand-by fares. Early booking with New Millennium means a savings of \$50-\$100 or even as much as \$250 depending on the itinerary. Read the brochure carefully to see how you can qualify for the above discounts.

WHAT IS YOUR CANCELLATION POLICY?

We dislike having to impose penalties, and do so only when our pre-paid expenses become non-recoverable from the vacation suppliers. Much time and effort as well as considerable advance monetary deposits are expended in organizing an escorted vacation. In some instances, we are required to pre-pay some expenses up to a year in advance of the vacation departure. Some constant expenses such as transportation, research, advertising, Tour Director, and local guides are spread over the entire group and are based on a minimum number of travelers. The economies of group travel are passed onto to you .Cancellations, however, often create havoc to these original cost calculations, to the financial detriment of the operator.

Since we cannot nor would we compromise the quality of the vacation as a result of individual cancellations, we are left with no alternative but to withhold non-recoverable expenses and penalties imposed on us as tour operators by our suppliers.

CANCELLATION SCHEDULE

Cancellation Days prior to Vacation date.....	Penalty
More than 60 days.....	None
30-59 days.....	\$500
8-29 days.....	50% of Vacation cost
Less than 8 days.....	100% of vacation cost

We recommend that you seriously examine the merits of a Trip Cancellation Policy. A brochure will be mailed with Confirmation of your reservation. You may purchase this protection from several sources. It provides considerable protection in addition to the Cancellation feature.
